Volume 26 **August 2019** **Number 2**

S.No. **Title of Contents and Authors** **Page No.**

1.	Serological response of dromedary camels vaccinated with <i>Brucella abortus</i> RB51 and <i>Brucella melitensis</i> Rev 1 Vaccines U Wernery, Rodriguez Caveney M, Sh Jose, B Johnson, R Raghavan, J Christopher, G Syriac, Sh M Thomas and N M Paily	121-124
2.	Another case of hepatic cysticercosis caused by <i>Cysticercus tenuicollis</i> in a dromedary R.K. Schuster, G. Dessi and A. Varcasia	125-128
3.	Detection of the status of acaricide resistance in <i>Hyalomma dromedarii</i> from nomadic camels of north Gujarat K.P. Shyma, Veer Singh, K.J. Ankuya and J.P. Gupta	129-132
4.	Identification of microsatellites and parentage testing development of bactrian camel (<i>Camelus bactrianus</i>) Liang Ming, Li Yi, Jing He, Le Hai and Rimutu Ji	133-142
5.	Neuropeptides in the pancreas of dromedary camel: immunohistochemical localisation Thnaian A. Althnaian, Abdelhay M. Ali and Sabry M. El-Bahr	143-147
6.	Evaluation of preslaughter stress responses during waiting time at lairage in dromedary camels (<i>Camelus dromedarius</i>) A. Lemrhamed, R. Tabite, M. Farh, F. Riad, N. El Abbadi, EH. Tahri, B. Faye and M. El Khasmi	149-156
7.	Teat characteristics of Indian dromedary camel (<i>Camelus dromedarius</i>) Sumant Vyas, M.M. Ansari, Ved Prakash, N. Sharma, Kashinath and N.V. Patil	157-162
8.	Comparative transcriptome analysis of liver tissues in bactrian camel (<i>Camelus Bactrianus</i>) Liang Ming, Li Yi, Jing He, Le Hai, Fucheng Guo and Rimutu Ji	163-168
9.	Chronic peritonitis in dromedary camels: clinical, ultrasonographic and pathologic findings Mohamed Tharwat	169-172
10.	Associations of bacterial isolation with endometrial cytology in camels (<i>Camelus dromedarius</i>) with endometritis Turke Shawaf, Jamal Hussien and Ibrahim Ghoneim	173-177
11.	Assessment of trace elements in camel (<i>Camelus dromedarius</i>) meat, hump and liver consumed in Saudi Arabia by inductive coupled plasma mass spectrometry Eid I. Brima, Mohammed E.A. Mohammed, Mohammed Ahmed Al-qarni, Abdullah Mohammed Hassan Al.Omari, Abubakr M. Elkhaleefa and Hassan M. AlBishri	179-187
12.	Management of mandible fractures using interdental wiring (IDW) in camels S. Purohit, Vimlesh Kumar, Gulshan Kumar and R.P. Pandey	189-190
13.	Study on physical properties of camel cashmere Mingzhu Bai and Guleng Amu	191-193
14.	Surgical management of soft palate haematoma in camel S. Purohit, S. Singh and R.P. Pandey	195-196
15.	News	197
16.	Instructions to Contributors	199-200
