

CONTENTS

Volume 9	June 2002	Number 1
1. Microbiological status of raw dromedary milk U.Wernery, B. Johnson, H. Becker and E. Maertlbauer		1-4
2. Disposition kinetics of oxytetracycline after a single intravenous injection in Arabian camel M.H.Al-Nazawi and A.M.Homeida		5-8
3. Thiosulphate clearance test for determination of glomerular filtration rate in dromedaries N.Kataria, A.K.Kataria, V.K.Agarwal, S.L.Garg and M.S.Sahani		9-15
4. Intravenous glucose tolerance test (IVGTT) in camel during dehydration and rehydration in winter and summer N.Kataria, A.K.Kataria, V.K.Agarwal, S.L.Garg and M.S.Sahani		17-25
5. Evaluation of blood thiamine (Vit B ₁) in racing dromedaries U.Wernery, A.Abraham and J.Kinne		27-29
6. Anatomical and histological features of pulmonary tissue of the one-humped camel (Camelus dromedarius) W.H.Al-Hamad and W.A.Khamas		31-36
7. Study on skin lesions of camels (Camelus dromedarius) associated with bacterial pathogens in north-eastern Ethiopia A.Tadesse and B.Molla		37-41
8. Insulin and anti-diabetes activity of camel milk Lutz Breitling		43-45
9. Scanning electron microscopy of the tracheo-bronchial tree and the lung parenchyma in camel S.Singh, S.K.Nagpal and G. Singh		47-51
10. Thyroxine and insulin-like growth factor-I in milk and plasma of camels (Camelus dromedarius) M.El-Khasmi, F.Riad, A.Safwate, N.El-Abbadi, B.Faye, V.Coxam, M.J.Davico, K.El-Alaoui, J.P.Barlet		53-58
11. Copper deficiency : a predisposing factor to septicaemia in dromedary calves U. Wernery, M. Ali1, J. Kinne, A. A. Abraham and R. Wernery		59-66
12. Trypanosomosis and helminthosis in camels: comparison of ranch and traditional camel management systems in Kenya Z.K.Njiru, B.Bett, I.M.Ole-Mapeny, J.B.Githiori and J.M.Ndung'u		67-71
13. A comparative morphometric study on the skull of three phenotypes of Camelus dromedarius O. Al-Sagair and S.A.El-Mougy		73-77
14. Non-parasitic hepatic cysts in camels A.A.Gameel and A.A.Bakhsh		79-82
15. Treatment of copper deficiency in two dromedary calves U. Wernery, J. Kinne and A. A. Abraham		83-84
16. News		78
17. Book Review		52, 72
18. Instructions to Contributors		85-86
