

CONTENTS

Volume 11

June 2004

Number 1

1. Induction of immune response in *Camelus bactrianus* and *Camelus dromedarius* against 1-9
MUC1 - peptide produced heavy-chain antibodies with efficient combining properties
F.Rahbarizadeh, M.J.Rasaee, M.F.Moghadam, A.A.Allameh, S.A.Narang and M.Sadeghizadeh
2. Immunoradiometric assay of serum IgE levels in dromedary camels 11-13
A.K.Kataria and N.Kataria
3. Clinico-pathological response of dromedary camels and sheep to cross-experimental infection 15-19
with two virulent orf viruses originating from camels and sheep
E.M.E. Abu-Elzein, F.M.T. Housawi, A.I. Al-Afaleq, R.O. Ramadan, A.A. Gameel and O. Al-Gundi
4. The peculiarities of stomach of the one-humped camel (*Camelus dromedarius*) 21-26
A.Y.M.Nour and W.A.Khamas
5. Architecture of subpleural microvessel of the lung in bactrian camel (*Camelus bactrianus*) 27-34
Shi-Yuan Yu, Xiao-Hua Du, Hai-Yan Li, Jian-Lin Wang and Zi-Ren Wang
6. Serum calcitonin levels in dromedaries 35-38
N. Kataria and A.K.Kataria
7. Epidemiology and diagnosis of surra (*Trypanosoma evansi*) in camels - a review 39-50
Narender Singh, K.M.L. Pathak, Rajender Kumar and M.B. Chhabra
8. Milk yield performance of dromedaries with an automatic bucket milking machine 51-57
U. Wernery, J. Juhasz and P. Nagy
9. Mineral antioxidant status in serum and its relationship with somatic cell counts in camel milk 59-62
F.C.Tuteja, S.K.Dixit, A.Deen, A. Bhati and M.S.Sahani
10. A note on Vitamin A, C and E status in healthy and infected camel calves 63-64
H.E.Mohamed
11. A note on plasma antioxidant status in sudanese camels (*Camelus dromedarius*) affected by 65-66
musculoskeletal disorders
H.E.Mohamed
12. In vitro evaluation of efficacy of some antibiotics against *S. aureus* and other bacterial microflora 67-71
isolated from skin wounds and abscesses in camel
S.Qureshi and A.K.Kataria
13. Changes in biochemical profile in male and female camels 73-76
A. Saeed, M.M. Hussain, I.A. Khan, G. Chand and R.A. El-Yousuf
14. Rectal prolapse caused by a fibroma in a she camel - a case report 77
S.K. Jhirwal, T.K. Gahlot, P. Bishnoi, H. Dhadich and S.M. Qureshi
15. Tuberculosis in camels : case report 79-81
Aminu Deen, S.K.Dixit, F.C.Tuteja, R.K.Tanwar, A.K.Kataria and M.S.Sahani
